Hi! I'm Joan, your event organizer!

We are here for you!

O Instagram

You'll have access to lots of resources including me, along with consignor coaches, and our wonderful consignor Facebook group. You CAN do this!

Consignor Group

We constantly monitor safety information and trends at JBF sales to ensure the best experience possible. Here are some updates for Spring 2025:

Our Teen section debuted in Fall 2024 and was a hit so we'll continue in 2025! The category will be Clothing-Teen in the tagging system and we'll use sizes XS-XL. Any adult-style clothing - a style one of our teen inspectors would not wear - will be subject to the \$0.50 no thank you fee. Our boys section will continue to go up to size 20 and girls will go up to size 16.

Minimum Price: \$2 per hanging clothing item

We will not accept water beads of any kind

Stuffed Animals must be NEW or in LIKE-NEW condition

We will continue to have a Room Decor section but it must be for a children's room. Adult home decor will not be accepted.

NON-CLOTHING TIPS

- Attach tag securely. Make sure tape does **not** cover the barcode on tag.
- Secure all pieces together and tape bags closed
- Use painter's tape to secure tag on books
- LIMIT: 10 of your best NEW items for Gift Again (parent section which is called Mommy Mart in the tagging system)

CLOTHING Hanging & Tagging Clothing

Attach JBF tag with safety pin or tagging gun. LIMIT: 20 in-style maternity clothing items

Hanger Direction

Be sure the hanger hook opens to the left, like a question mark. Attach JBF tag to front of item on the right side.

Creating Outfits

You have the option to bundle items into sets. Secure pieces to hanger using safety pins. Indicate on the tag what is included in the set. Remember there is a \$2 minimum per hanging item.

www.Website

Tagging Gun

If you use a tagging gun to attach JBF tags, only puncture the garment tag or an inside seam so that you do not damage the fabric. **Do not use a tagging gun directly on the fabric of the garment.** If you unsure how to place the tagging gun barb, please use a safety pin. See the <u>tagging gun page</u> for more info.

Prep - Clothing

Hanging pants and skirts

Use safety pins through sturdy waistlines to secure pants and skirts to the **TOP BARS** of hangers. Put pins on both sides to prevent sliding.

Accessories

Use clear bags to bundle sets of socks, hair accessories, infant mittens, and hats.

Accesssories will be hung with hooks intead of hangers.

Hats

Simply attach JBF tag to hats using a safety pin or tagging gun. No need to use a bag.

Each hanger must only have one tag!

Bundling Onesies and Hanging Multiple Items on a Hanger

Multiple items—that are all the same size — can be hung on a single hanger. Attach one item to the hanger and use safety pins to attach the others to the back of the first item. Indicate on tag what items are bundled and only use one tag.

Consignor Group

Prep - Jagging Jun

Using a Tagging Gun to Attach JBF Tags

Many JBF Consignors find it much faster to attach JBF tags to items using a tagging gun instead of safety pins. Please follow these Tagging Gun Guidelines to prevent damage to your items.

Garment Tag

If the clothing has a garment tag at the neckline, always puncture the garment tag when attaching your JBF tag

Inside Seam

If the clothing does NOT have a garment tag at the neckline, puncture the inside seam when attaching your JBF tag

Left Armpit Seam

If the clothing does NOT have a garment tag OR an inside seam at the neckline, puncture the item's **LEFT armpit seam** when attaching your JBF tag (so that your tag is on the right as you face the item).

Shoes

SHOES

Shoes

Shoes should be in like-new, gently used condition with no scrapes, worn toes, dirt, or scuff.

Attach shoes together securely with a zip tie or ribbon.

We accept all sizes of shoes but they MUST be **child/teen-focused** (ex: no stilettos or adult shoes).

Bring your best!

LARGE ITEMS

Items that are large or heavy require a yellow claim ticket. Print your tag but don't attach it to your item. Bring it to drop off and the staff will have all of the supplies you need!

Please note that we cannot accept mattresses. Bassinets and cribs are ok.

B.O.B. Strollers

BOB jogging strollers manufactured between January 2009 and September 2015 were recalled for front wheel attachment issues. The replacement thru-bolts are also faulty (model number is S11393700). The bolt can fracture during use, allowing the front wheel of the stroller to detach, posing a risk to the child in the stroller and the adult pushing the stroller. There is no current remedy offered by the manufacturer that makes this item safe to sell at JBF.

Macleran Strollers

All Maclaren single and double umbrella strollers sold between 1999-2009 were recalled for potential finger amputation from hinge mechanism. Consumers should immediately stop using these recalled strollers and contact Maclaren USA to receive a free repair kit. Strollers with repair kit installed are safe to use and to sell at Just Between Friends.

Boppy Lounger

Infants can suffocate if they roll, move, or are placed on the lounger in a position that obstructs breathing, or roll off the lounger onto an external surface, such as an adult pillow or soft bedding that obstructs breathing.

Consumers should immediately stop using the recalled loungers and contact The Boppy Company for a refund. boppy.com/pages/loungerrecall

SAFETY MATTERS TOP 10 SAFETY ALERTS

4moms MomaRoo and RockaRoo

When the swing or rocker is not in use, their restraint straps can dangle below the seat and non-occupant crawling infants can become entangled in the straps, posing a strangulation hazard.

Go to 4momsrecall.expertinquiry.com to register for a free strap fastener. Once installed, it is safe to use and to sell at JBF.

Summer Infant Baby Bather

When the bather is lifted and/or carried with an infant in it, its folding wire frame can suddenly disengage from the side hinge.

Bathers with FIVE rivets are recalled. All others are safe to use and to sell at JBF.

Chicco Polly High Chairs

This recall involves a range of Chicco Polly highchairs with pegs on the back legs intended for tray storage manufactured prior to October 13, 2010 and sold from 2005 through July 2012.

Contact Chicco to request a free peg cover kit. Once this fix is installed, it is safe to use and to sell at JBF.

That's It! You're Done!

Consignor Group

Inspection Process

Once your items are on the sales floor, our staff looks at each item to check for cleanliness, functionality, and safety. Consignors are expected to perform these checks at home and again at drop off. Disappointed shoppers who find stains, holes, etc will not return and it **will** hurt your sales!

- Items must be clean, stain-free, odorless, and must not have any holes, including holes created by the improper use of a tagging gun.
- Consignors will be given grace for one item that is not in proper form. (We understand things fall from hangers at the event sometimes. We do our best to clean them onsite if that happens). Any items after that will be charged \$0.50 per item that must be pulled from the sales floor. This will be removed from your consignor check at the end of the sale. Consignors may be charged a disposal fee for large items that are not picked up but cannot be donated because of condition, recall, etc.
- Double check shoes carefully! Shoes, boots, and cleats with dirt, holes, or excessive wear will be pulled and accessed the \$0.50 fee per item.
- If a product does not have working batteries, consignors will be charged \$1.25 per battery.
- Please be sure to check the CPSC recall list at <u>https://www.cpsc.gov/Recalls</u>. It is illegal to consign or sell recalled items. Items that have been fixed like the addition of a Mamaroo safety strap are acceptable.
